Ohio SIBS Presents "Reaching for Inspiration"

The Inspiring Byrne Family Journey

Erin Byrne is a classically trained vocalist who holds a Masters Degree in Vocal Performance from Kent State University. She is the winner of numerous vocal awards, including Ohio Young Soloist Award (1998, 2004, 2006). Erin and her mother, Terry, will share the story of their life journey of seeking remarkable independence for Erin. Although having no sight and being confined to a wheel chair, Erin lives alone and has learned to be self-sufficient in many ways. Erin and Terry have struggled on their own to find the resources and supports that make it possible for Erin to be a self-reliant, contributing community member. Our evening is not intended to be a concert. However, Erin will perform a couple of her favorite selections.

Now, thanks to the generosity of The GLOW Foundation you can spend an evening with Erin Byrne and Theresa Manzell to BE INSPIRED!
